

Kappa Kappa Gamma

Recruitment

This year, Formal Recruitment was held during the second week of September. We recruited 12 members to the Zeta Kappa Chapter. Our recruitment chair, Madison Wiss worked extremely hard to put on a successful recruitment. We created a recruitment video to showcase our philanthropy, sisterhood, and values which can be found on Instagram under @bgsukkg. We also held Informal Recruitment where we gained an additional 4 members. All 16 of our new members were initiated on October 22nd!

Academics

The Zeta Kappa chapter had a successful Spring 2022 term. Our chapter's average GPA for the semester was 3.53. We had a total of 17 active members receive a 4.0 GPA and 20 members on the Dean's List. We are looking forward to another successful semester!

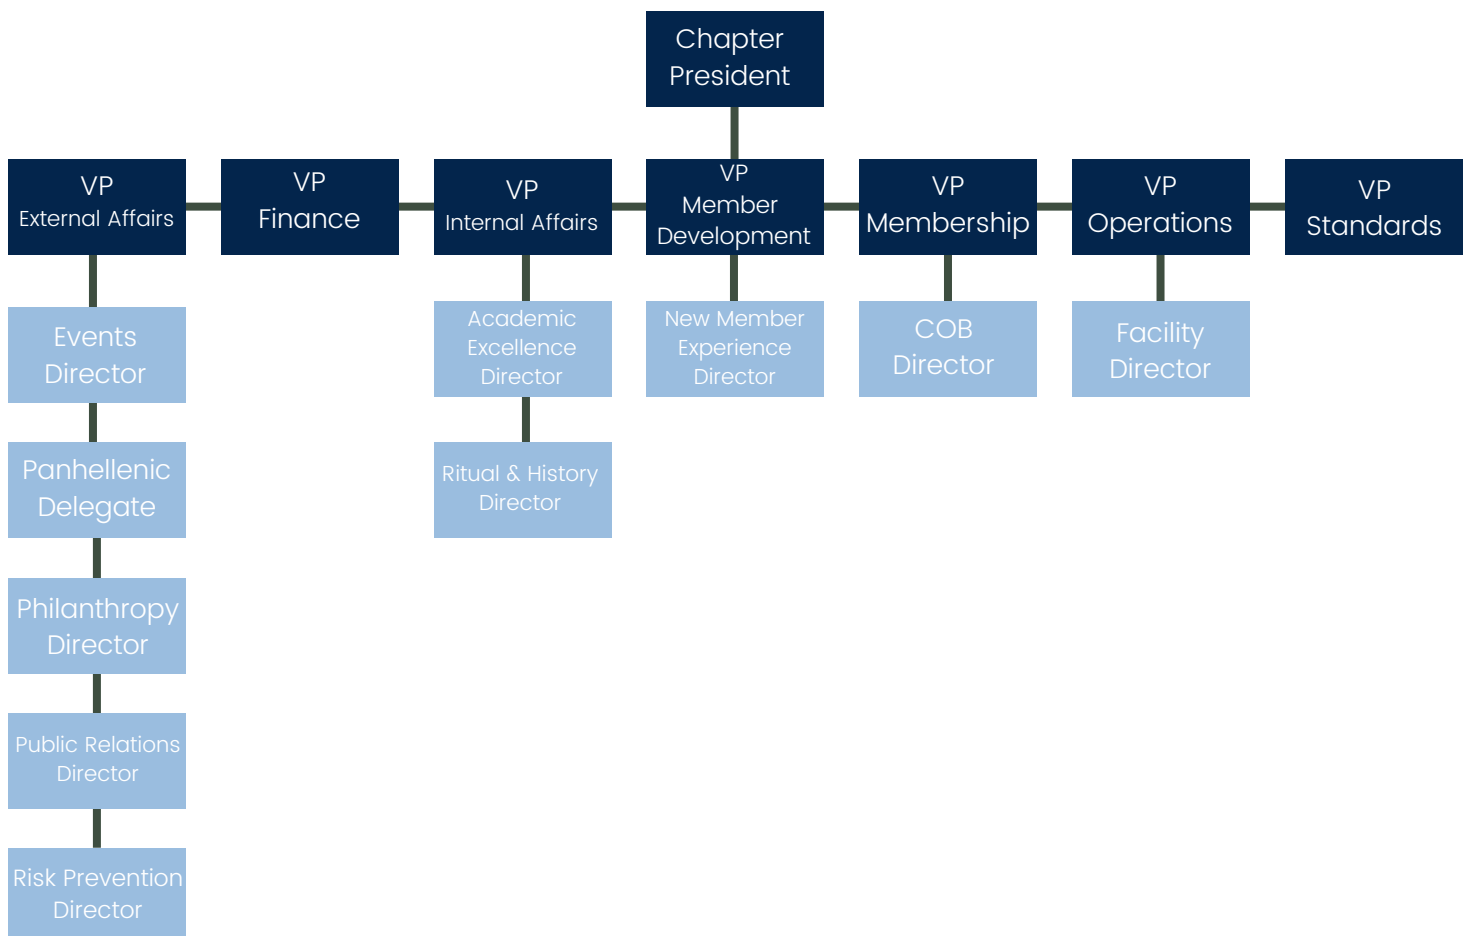

Philanthropy

Our philanthropy chair, Meg Crawford worked extremely hard during the Spring and Fall semesters of 2022 to raise money for our philanthropy. We hosted Kappa Kappaccinos, Kappa Cotton Candy, and Kappa Grilled Cheese! Overall, we raised a total of \$5,088! We also had the opportunity to buy \$500 worth of gift cards for our two Rose McGill families!

New Structure

We are excited to announce our new structure for 2023! This structure contains 7 departments led by a Vice President for each department. The executive board is made up of the President and 7 Vice Presidents which meet weekly to discuss trends, topics, and chapter issues. Each department will meet weekly/biweekly as needed to share updates, ideas, and collaborate on projects!
